

STORY 13/19

Vogliamo raccontarvi la nostra storia...

Non tutte le storie hanno bisogno di essere raccontate tramite la parola scritta, alcune necessitano solo di essere guardate.

Ci sono storie che con le sole immagini riescono a coinvolgere l'osservatore e ad aprire le porte all'immaginazione trasportandoci in luoghi immersi in fantasie e mondi avvolti da mistero e magia, che rievocano esperienze vissute o che ci prospettano esperienze nuove tutte da scoprire.

Le immagini e i decori prendono il posto delle parole per raccontare storie sempre diverse.

STORY 2013/2019 traccia il percorso di Inkiostro Bianco attraverso un racconto per immagini delle creazioni iconiche del brand. Le carte da parati come pagine di un libro da sfogliare partendo dalle prime grafiche alle più recenti collezioni. Dal 2019 in poi le collezioni raccontano storie differenti approfondite singolarmente in percorsi tematici specifici.

Le immagini diventano il linguaggio attraverso il quale le nostre storie in carta da parati si sviluppano sulle pareti.

La particolarità sta nella varietà di racconti sempre nuovi che ogni immagine riuscirà a farvi scoprire. Saranno gli occhi e il cuore di chi le osserva a farle parlare e gli ambienti nei quali decideranno di abitare.

We would like to tell you our story...

Not all stories need to be told in written words, some just need to be watched.

There are stories that, with images alone, involve the observer and open the doors of imagination, transporting us to places immersed in fantasies and worlds shrouded in mystery and magic, evoking experiences we have lived through, or offering us new experiences to discover.

Images and decorations take the role of words to tell ever-changing stories.

STORY 2013/2019 traces the history of Inkiostro Bianco through a tale made up by the brand's iconic creations. Wallpapers become the pages of a book to leaf through starting from the first wallpapers to the most recent collections. From 2019 onwards, the collections have told different stories, that are individually examined in depth in specific thematic paths.

The images become the language through which our wallpaper stories develop on the walls.

Its peculiarity lies in the variety of stories that each image will make you discover. It will be the eyes and the heart of the observer that will make them speak and the rooms they will decide to inhabit.
